

NATIONAL PETROLEUM INSTITUTE

# EXTENSION OF BIDDING ROUND

## 2ND BIDDING ROUND FOR GEOLOGIC AND GEOPHYSICAL DATA ACQUISITION IN MOZAMBIQUE SEDIMENTARY BASINS

1. The National Petroleum Institute (INP), an institution under guardianship of the Ministry of Mineral Resources and Energy announced the launch of the 2<sup>nd</sup> Tender for acquisition of Geological and Geophysical data. The tender was launched following the award of Exploration and Production Areas under the 5<sup>th</sup> Mozambique bidding round and the need to acquire data to be made available for the next bidding round.
2. The areas to be subjected to the acquisition are Rovuma Basin, South Rovuma Basin, Zambeze Delta, *Onshore* South Mozambique and Mozambique Basin.
3. The bidding round is open up to 26 July 2016 at 12:00 noon. All potential bidders are invited to submit tenders at the premises of the National Petroleum Institute, at Desportistas Road, Plot 259E, Maputo-Mozambique
4. It is important to refer that all service companies with financial strength, technical and HSE capacity to undertake acquisition, processing and marketing of the referred data are eligible to submit bids.
5. The Terms of Reference for this Tender are available at [www.inp.gov.mz](http://www.inp.gov.mz).

Maputo, 6<sup>th</sup> July 2016
