**ANNOUNCEMENT**

**PUBLIC TENDER**

**NATURAL GAS ADJUDICATION FOR PROJECTS DEVELOPMENT IN MOZAMBIQUE**

In the context of the development of Liquefied Natural Gas Project, the concessionaires of the Rovuma Basin EPPC's, made available certain quantities of natural gas for the development of industrial projects in the Mozambique domestic market.

This tender is intended to locally add value on our natural resources and contribute to meet the needs of the domestic market in certain services and consumer goods, thus replacing their importation.

In this context, the Ministry of Mineral Resources and Energy, launches this tender with the purpose of selecting companies for the conception, investment and projects development such as power generation, fertilizer and/or liquid fuels production for consumption in Mozambique.

The Interested companies have to purchase the tender documents from 01 to 16 September 2016, during normal business hours at the single price of 5 000.00 MZN, at Instituto Nacional de Petróleo.
